

Ritchie Bros. Financial Services

Your one stop shop equipment financing partner

Are you looking to purchase, lease, or rent used heavy equipment, and are considering your financing options?

Remember, we can support you with your Ritchie Bros. purchases at an upcoming auction or right now at a dealership or even from a private seller.

PurchaseFlex™ Financing

One approval, buy what and where you want.

Provides you with more freedom and flexibility than traditional banks or equipment financing companies. Every approval covers a huge range of equipment types, ages, and financing terms.

Unlike the bank.

Fixed rate contract; no floating rate, no surprises. Fixed monthly payments, one documentation fee. Most of our lenders will finance taxes, transportation, and will not require a down payment. With our wealth of knowledge in your industry, we understand how and when you will use your equipment.

Refinancing & Restructuring: Simplify debt.

Provides an option to refinance one or multiple existing assets to simplify debt payments, lower monthly payments, cash out equity, and more.

BUY OUT: We cater to businesses that buy out early!

An example of one of our least forgiving buy out policies is “1% of the total per year remaining.”
i.e.. \$30,000 left on 3 years. 1% = \$300. $\$300 \times 3 \text{ years} = \900 total exit fee. Way less than a traditional bank!

PurchaseSafe Secure Transaction Management.

Used when purchasing and financing/leasing equipment from a private seller. PurchaseSafe provides, taxation, lien search, and payout coordination that protect you during your purchase.

Payment Protection: Insurance.

An insurance product that is designed to pay out your outstanding loan balance in the event of your death or diagnosis of a covered illness; or to make ongoing monthly payments to a loan if one becomes disabled. Your approval may include the option for payment protection; independent debt protection against injury, sickness, or death that does not impact your personal coverage should the worst occur. This may not be offered to all businesses
